

Confetti Party Rentals is always looking to hire incredible individuals to join our team of memorable experience creators!

Are you:

- Good at connecting with and listening to people?
- Someone with a great eye and attention for detail?
- Meticulous with your work?
- Looking to work with a team that supports and motivates one another?
- Hoping to find an incredible work-life balance?
- A student looking for continuous summer work throughout your university or college career?

If you answered “YES!” to any of these, then we want to meet you!

How does hiring work?

At Confetti, we hire based on company needs during each season – with our busiest season being Summer – and we look for those individuals that want to help make memorable experiences with us while being valuable contributors to our team. We have a soft spot for university/college students as we know how difficult it can be to find work and make money at times during the summer breaks, so make sure to mention to us that you are a student when applying!

What you should already have or be able to do:

- The ability to lift 30lbs. consistently.
 - *Ability to lift 70lbs. or more an asset.*
- A Class 5 Driver’s License (*Asset*).
- Be capable of learning new software and retaining information with on-site training.
- Basic understanding of Microsoft Office and Google Drive.

How to apply:

Send your resume, a brief description of yourself including the kind of work you are looking for (customer service, dishwashing, order picking, deliveries), and tell us *about one of your favourite out-of-work activities to do* in an email to surrey@confettipartyrentals.com.

We look forward to hearing from you!
