## Popcorn Machine Instructions

- 1. Plug in machine.
- 2. Turn on (I) kettle heat switch. (Left-most of the 3 orange lit switches)
- 3. Turn on (I) agitator switch.
- 4. Add 6 oz. of popcorn to kettle pot. Add salt to taste.
- 5. Immediately add ¼ cup oil and close cover.
- 6. When popping slows to 3-5 seconds between pops, lift cover, dump kettle and repeat steps 4 & 5.
- 7. On last batch, turn off (0) kettle heat switch when corn starts to pop.

Warning: Do not leave kettle heat on when not popping. Always add corn first then oil to kettle.
